BRIEF ABSTRACT OF LETTER.

Requests that absolute discretion may be vested in him in the matter of the disposal and employment of the Special Provincial Reserve and suggests that the force may be called Provincial Reserve in contradistinction to the Dt. Reserves.

NOTES AND ORDERS.

1) Subd. for orders.

I.G. 18.6.06. The word "permanent" occurs in para 7 (7) of the last sub para Inspector General's letter read in Govt. Proceedings No. J. 2190-1- Police 6.5.06 of Bangalore 2nd Feb. and is used in connection with the allotment of a section of the Reserve Police to Mysore and Shimoga: while, under the scheme, detachments

an intended Detachment to Mysore and Shimoga and other districts, periodical and when necessary. In the order above referred to Government approve the Inspector General's proposal to send detachments to Mysore, Shimoga and the Kolar Gold Fields periodically and other districts as occasion arises. In the powers under disposal, the Inspector General points out that the insertion of the word "permanent" has given rise to a mistake, as it would have the force of allowing him no discretion as to when a detachment of the Reserve force should be sent to Mysore and Shimoga. He finds it essential to have "absolute discretion to number, time and place where detachments should be employed.", and applies for Government orders to make it clear that his discretion in the matter of the disposal and employment of the Special Provincial Reserve, is absolute.

Orders.

18-6-06 Subt to the Secy.

The Govt order does not seem to contemplate permanent location of detachments at Mysore & Shimoga as apprehended.

The concentration of the several Reserves was sanctioned in Feb. 1905, the Insp-Genl intimates his intention

to form the District Reserves again and to locate them at every Dist. Head Quarters. This is in consonance with the recommendation of the Police Commission. "They would prefer to have at the head quarters of each district, or perhaps, where the districts are small, at convenient centres in groups of districts, a body of armed police, called the Head Quarters Force available for performance of all the guard, escort and orderly duties at head quarters, including the supply of escorts to bring in treasure and sometimes prisoners from sub-divisional stations." The Supt. Genl's proposal in regard to forming District Reserves may be accepted.

3) Yes; this may be done before giving him the "absolute" discretion he asks for as regards the Special Provincial Reserve.

Mr Carr discussed this matter with me at Mysore. As he points out it is unnecessary to state the detachment of the Special reserve Police permanently at Mysore & Shimoga. The

requirements of the Mysore city & District are occasional and the men may be easily sent from Bangalore. In Shimoga Dist a detachment of special reserve should be stationed during the Dacoity season as a rule. Also in Chitaldrug District if possible. With this reservation the proposals of the Dy Sp of Police may be sanctioned.

We need not say anything now about the formation of the District Reserves. Proposals may be awaited

Mr Carr has made this reference because the D C Mysore insists on having a special reserve detachment permanently in Mysore according to Mr Carr's own letter to Govt dated 28/6/06

Office of the
Inspector General of Police in Myso
Dated Bangalore, June/4" 1906.

From,

F. E. C. Carr Esquire,
Inspector General of Police
in Mysore.

To,

K. S. Chandrasekhara Iyer Esquire,
Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments.

Sir,

With reference to Government Proceedings No: J2190-1 & Police 55-4 dated 2nd February 1905, regarding the Special Reserve Force of the Province, I find that there has been some misapprehension as to the location of detachments at Mysore and Shimoga.

The mistake has arisen from the word " permanent " being used when referring to the Mysore and Shimoga detachments; though in para 7, it will be seen that I have proposed sending these detachments " periodically to Mysore and Shimoga when necessary".

2. After a year's experience of how the scheme has worked, I find it is essential to reserve to myself absolute discretion, as to the number, time, and place where detachments should be employed.

To quote examples of my requirements:-

At the present moment, there are detachments of 35 men and officers at Chitaldroog for dacoity and patrol work; 25 at Shimoga; 12 at Kolar; and 12 at Tumkur. To meet the sudden requisition for 40 men at Mysore for extra duty during

General No: 6831
No: 769

Enclosure No:

Requesting that powers might be invested in the Inspr: Genl as to locate or withdraw detachments of the Spl: Reserve men according to his discretion & stating that under the circumstances explained a detachment of 40 men is not necessary at Mysore.

the Race week, I had to withdraw the two detachments employed on dacoity duty in the Kadur and Hassan Districts. During the cold weather when the field-firing and exercise season is on, I have often as many as a 100 men of the Reserve, deputed for duty with the various Camps of Exercise.

3. When His Highness the Maharaja is absent from Mysore either in Ootacamund or Bangalore, or, when there are no Jatras or festivals going on in the Mysore District or City, it is quite unnecessary to keep so large a force as 40 men there. The Mysore Town Police Force is very strong, and quite capable of coping with all the ordinary work of the town. This being so, a <u>permanent</u> detachment of 40 Special Reserve men is not required there.

4. I would request therefore that to prevent any future questions arising on this point, Government will kindly make it clear, that absolute discretion is vested in me in the matter of the disposal and employment of the Special Provincial Reserve.

5. It would perhaps be better to call this Reserve <u>Provincial</u> - not Special Reserve, in contradistinction to the <u>District</u> Reserves which it is my intention, under the Reorganisation Scheme, to locate at every District Head Quarters.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General of Police.
